Re: GE EFS Power Investments B.V. subscribed shares equivalent to a participation of 24.99% of YPF Energía Eléctrica S.A.'s capital stock.

Dear Sirs:

The purpose of this letter is to comply with the requirements of Article 23 of Chapter VI of the Merval Listing Regulations.

In that regard, and following the information provided to the market in our relevant fact notices dated December 14, 2017 and February 7, 2018, we inform you that, on March 20, 2018, GE EFS Power Investments B.V. ("GE"), a subsidiary of EFS Global Energy B.V. (both corporations indirectly controlled by GE Energy Financial Services, Inc.), subscribed for shares of YPF Energía Eléctrica S.A. ("YPF EE") in an amount equal to 24.99% of YPF EE's capital stock through a cash contribution of US\$ 275,000,000, plus a contingent payment for up to US\$35,000,000. This cash contribution will allow YPF EE a more accelerated development of its business plan. As of the date of the subscription of YPF EE shares by GE, GE and YPF S.A. have joint control of YPF EE.

Additionally, YPF continues negotiating with a possible third partner for the purposes of granting an option to subscribe an additional 24.5% of YPF EE's capital stock, on similar terms as agreed with GE.

Currently, YPF EE is equipped with a net generation capacity of 1,807Mw, has projects in the construction phase for an additional 485Mw, and is evaluating different projects to continue increasing its generation capacity with a total investment that could amount to approximately US\$1,300 million.

Lazard has acted as financial advisor to YPF S.A. in this transaction.

Yours faithfully,

Diego Celaá
Market Relations Officer
YPF S.A.
